

ACOUSTIC SENSE IIIIII

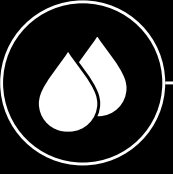

Akustikpaneele / Acoustic panels / Panneaux acoustiques / Akoestiekpanelen

Acoustic Sense

Einfache Montage: Kleben oder Schrauben

Simple installation: glue or screw / Montage facile : coller ou visser
Eenvoudige montage: lijmen of schroeven

Feuchtraumgeeignet

Suitable for humid rooms / Compatible en milieu humide
Geschikt voor vochtige ruimtes

Einfache Reinigung und Pflege

Simple cleaning and care / Nettoyage et entretien faciles
Eenvoudige reiniging en onderhoud

Höchste Absorberklasse möglich:

Auf Lattung mit Dämmung: Absorberklasse A
Auf Lattung: Absorberklasse C
Auf Wand geklebt: Absorberklasse D

Highest absorber class possible:

On battens with insulation: absorber class A
On battens: absorber class C
Glued to the wall: absorber class D

Classe absorbante la plus élevée possible :

Sur lattage avec matériau isolant : classe absorbante A
Sur lattage : classe absorbante C
Au mur : classe absorbante D

Hoogste absorptieklasse mogelijk:

Op houten tengels inclusief isolatiemateriaal: absorptieklasse A
Op houten tengels: absorptieklasse C
Op de muur: absorptieklasse D

Eiche hell (Holznachbildung)

Light oak (wood effect) / Chêne clair (décor bois) / Eik licht (houtdessin)
